

Decorative Hardware

Decorative hardware is one of the finishing touches that define a room's style and personality. *Cabinet Resources* offers a comprehensive selection of decorative hardware that may be purchased for you. These collections may be viewed at our affiliate's website; www.hardwareresources.com.

Upon selecting your hardware, provide us with the appropriate style numbers for each room. Pricing for your decorative hardware selections will be submitted to you for approval prior to our placing the order.

If you prefer, you may provide decorative hardware from the supplier of your choice.

Please fill out this form and return to us.
